

BOOK BLANKET

The Community Book Blanket Project launched in early Spring 2025, asking community members to crochet a granny square of a book they had read that year.

This initiative brought in new faces, created new connections and encouraged creativity within our community. As with the wide variety of books, we had a variety of participants who crossed generations and backgrounds, along with genres, to contribute towards this time capsule project that is a reflection of the wider community.

Overall, the project had 17 unique participants from around our community. In total, 343 squares make up the Book Blanket, with 125 being inspired by a book. Of the many squares, 36 were created by staff to reflect the titles chosen by staff led Hedberg Public Library Book Club titles for the year of 2025. The remaining 182 filler squares were created by a community member who donated many granny squares, these squares are not inspired by a book but are appreciated all the same.

Thank you to all of our Community Crocheters!
