MAKE A DIFFERENCE.

Become A Night at the Library sponsor. Support the Hedberg Public Library Foundation in its mission to ensure library programs and services are available to all ages in our community.

IT'S A GOOD INVESTMENT.

Not only will your sponsorship benefit our community (which feels great), it's a highly visible investment.

Did you know: each day the library greets over 800 visitors?

As a sponsor, your company will be featured prominently in our *A Night at the Library* print and social media campaign, including:

- posters in the library and around town
- an email blast to all adult library cardholders
- social media posts and images seen by more than 7000 fans

Plus, we'll link to your website from our webpage and provide you two free tickets if you donate \$250 or more.

99.4 WHPL cranks up the volume to bring you a night of rock history in the making: SLAYED live on the Main St. Stage!

After years apart, the legendary band that once ruled the charts is reuniting at the venue where it all began for a comeback tour that's already sparking controversy.

With their killer anthems and razor-sharp lyrics, they walked a fine line between harmony and chaos. But rumors often swirled about their frontman's rude off-stage behavior.

Whether you're a lifelong fan or just here for the drama, you won't want to miss the exclusive preshow interview, hosted by WHPL's beloved morning crew. Can SLAYED keep the band—and themselves—together long enough to rock the stage one more time? Be there to find out!

Guests are welcome to come READY TO ROCK in their most hard-core SLAY NATION attire. (*Costumes encouraged, not required.*)

Tickets are \$40 and will be available on September 1.
