

A907b Food & Beverages in the Library

Last updated: July 2023

Food and covered, non-alcoholic beverages are allowed in most parts of the library except for the Wisconsin and Janesville Rooms as special collections are housed in these rooms.

Please respect this space by:

- Consuming full meals in The Ground Floor Coffee and Gift Shop.
- Disposing of food and drink containers in trash bins or recycling bins.
- Alerting library staff about any spills or messes.

Library staff are not responsible for food delivery. Please alert any delivery services to meet you outside The Ground Floor Coffee and Gift Shop.

The library reserves the right to host special library events where alcoholic beverages will be allowed when approved by the library board.
